

UNA Pizza-Wine is a project we started in order to provide a high quality, easy drinking wine that pairs perfectly with our delicious menu. We personally sourced this red & white wine from a family run vineyard in Aragon, Spain.

Our goal is to deliver to you a wine that we are proud of & is worthy of our pizzas.

Cheers! - TEAM UNA

THE S.O.B. PROGRAM

(s) - sustainable (o) - organic (b) - biodynamic

"Many of our guests have asked us which wines on our list are (s)ustainable, (o)rganic or (b)iodynamic. Most of the wine labels you will find on our list are from small, boutique producers where the utmost care for the environment, staff and sustainability of their companies are considered.

Although many of these winemakers are not certified as such, we have done our homework on their agricultural and business practices so that we can confirm for you which producers are going above and beyond just simply making wine. We taste each one of the wines before presenting them here to ensure you the tastiest and best value wines possible...in our humble opinion."

- Jayme MacFayden and Maia Pineault; your friendly wine list curators.
